## **NIGHT TIME CLOSURES ON I-215 IN SAN BERNARDINO AND GRAND TERRACE**

**San Bernardino**– Caltrans continues work on the I-215 project to install a fiber communications network and ramp metering on the I-215. Beginning Wednesday night, February 13<sup>th</sup>, lane and ramp closures will occur in the San Bernardino and Grand Terrace area. Please refer to the chart below for dates and locations:

LOCATION	DATE	TIME	CLOSURE
Northbound I-215 from La Cadena Dr. up to the I-10	Wed. February 13 to Fri. February 15 and Tues. February 19 to Fri. February 22	9 PM to 6 AM	One outside lane and alternating ramp closures at Barton Rd. and Iowa
Southbound I-215 from La Cadena Dr. up to the I-10	Wed. February 13 to Fri. February 15 and Tues. February 19 to Friday February 22	10 PM to 5 AM	One outside lane and alternating ramp closures at Barton Rd. and Iowa

Nighttime travelers should anticipate the lane closures. Develop an alternate route in case a ramp closure is in effect. Consecutive ramps will not be closed at the same time. Signs will be posted to advise and direct motorists. As delays are anticipated, please allow extra time for your commute or consider using an alternate route.

Caltrans would like to thank motorists for their patience and support as we work to improve your roads. To avoid rear end collisions merge early and allow distance between you and the car in front of you. Caltrans asks that all advisory signs be obeyed and that you **SLOW FOR THE CONE ZONE**.
